Waterline Replacement Underway on Route 4

Work has begun on the waterline replacement project on Route 4 near Nilles that is a significant part of the City's Capital Improvement Program.

Howell Contractors is doing the work that is scheduled to be complete by late Fall of this year. The existing waterline is being replaced and upgraded.

To minimize disruption to traffic, work is being performed in the evenings and overnight from 8 p.m. to 6 a.m.

This work is scheduled to be completed ahead of next year's paving project. Paving of Route 4 is scheduled for Summer of 2018 from Seward Road to north of the railroad overpass (just south of Bobmeyer Road in Hamilton.)

Read more about this and other projects included in the Capital Improvement Program on the City's website at www.fairfield-city.org.

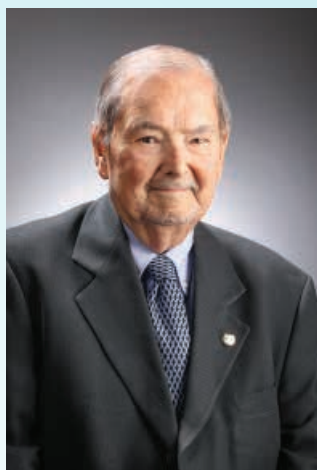

Dog Park Planned Near Marsh Lake

Planning for a much-anticipated project for the community recently began when City Council approved a contract for site development services by Strand Associates for a dog park.

The park will be located on River Road near Marsh Lake in an area known as Black Bottom. It will be connected to Marsh Park via a future extension of the Great Miami River Trail. It will have its own parking and access but will be considered an extension of Marsh Park. It was identified in the Marsh Park Master Plan developed in 2016.

Plans call for an entry plaza, restrooms, a water feature, multiple areas and access from adjacent neighborhoods as well as the multi-use trail from Marsh Park.

Mourning the loss of City Councilmember Myron

Bob Myron, a Fairfield resident for more than 40 years and a City Councilmember for the past year, died on Wed., July 19, 2017. He was 76.

Bob was selected in May 2016 to fill the First Ward City Council seat when the incumbent member moved out of the ward. Prior to this appointment, he had been a member for five years of the City's Parks and Recreation Board, serving as vice chair and representative to the City's Planning Commission.

"Bob was a tremendous asset to City Council as a dedicated 40-year resident of Fairfield with vast business knowledge and experience and a prestigious education," said Mayor Steve Miller. "We are deeply saddened by his loss and our sympathies are with his wife, Vicki, and their family. He was a wonderful person and champion for our City, and we will miss him greatly."

Opiate Task Force Hosts Butler County Coroner

Dr. Lisa Mannix, Butler County Coroner, was a recent guest speaker at a meeting of the Fairfield Opiate Task Force.

Dr. Mannix shared information and data about the Opiate issue specific to Butler County. Out of 192 Heroin/Fentanyl overdose deaths in all of Butler County in 2016, 12 were in Fairfield.

Also at the meeting, Fairfield Fire Lt. Jamie Viers provided data specific

to the number of overdose calls in Fairfield. The Department started tracking data about suspected overdoses differently in February and is working with the Police Department on data collection.

In calls related only to Emergency Medical Services from Feb. 2 to June 5, Opiates were suspected in 68 of those calls out of 1,238 total. Also during this timeframe, 98 doses of Narcan were administered.

Fire Department Purchases Bulletproof Vests

To protect firefighters and paramedics when they are called to assist in potentially unstable situations, the Fire Department recently purchased bulletproof vests, emulating the trend of many Fire Departments across the nation.

The vests will be part of the gear that firefighters and paramedics maintain each shift, and will be maintained on various emergency vehicles. They will be mandatory in situations when dispatchers have information that the request for assistance involves the potential

for direct confrontation, including shootings, stabbings, fighting, alcohol, violent crime scenes, or other high risk of violence.

“While we want our personnel to be protected in high risk situations, we do not want the people we are called to help to perceive us as a threat,” said Fire Chief Don Bennett. “This is why we have purchased red vests that are highly identifiable as Fire Department, and why our personnel will only be wearing them in situations that pose high risk.”

Swine City Brewing Brings A Brewery to Fairfield

Fairfield will soon have its very own hometown brewery, Swine City Brewing, opening later this year at 4614 Industry Drive at the corner of Symmes Road and Industry Drive. This family and employee-owned brewery will be led by a local team consisting of Dan and Debby Ebben, Claire Von Saucken, Jeffrey Herring, Chris Schulz, and Justin "Pee Paw" Chaney.

When asked why they chose Fairfield, Dan Ebben said "This is a great drinking and arts community, but I have to drive 20-30 minutes to drink at a brewery."

Swine City wants to add what it perceives to be a missing element to Fairfield, aiming to be a community gathering place with live music on the patio, food trucks, and events.

So, what kind of beer will Swine City brew? The owners say they won't bore you with the same old beers.

Swine City will offer several regular beers including a blonde ale, but its focus will be on the ever-changing tap list.

"We have a 10 barrel system which will allow

for more creativity and variety," Ebben said.

Jeff Herring added "We have a great understanding of the history of Greater Cincinnati and Butler County, so we know what people like." Justin "Pee Paw" Chaney specializes in saisons, a type of floral, rustic French beer that uses wild yeast to yield a peppery, sometimes tart flavor.

The name "Swine City" pays homage to Cincinnati being known as "Porkopolis" due to its history as a meat-packing town. To further the Fairfield connection, the tap room bar was built using wood from an old barn at a local hops farm on John Gray Road, one of the oldest farms in Fairfield.

Swine City will initially be open from Thursday through Sunday. Check out www.swinecitybrewing.com for updates and links to social media accounts.

Namaste is open daily from 10 AM- 10 PM and offers a private meeting room for large parties or meetings. To contact Namaste, please call (513) 870-0067 or visit their Facebook page.

Logistics Park Construction Underway

Union Centre Logistics Park (northeast corner of Seward

Road and Union Centre Boulevard) is now under construction. The Park will consist of two Class A Institutional grade distribution and manufacturing facilities: Building I will be approximately 480,000 square feet and Building II 128,000 square feet. Expected completion is early 2018.

Mercy Health-Fairfield Receives Award

Mercy Health - Fairfield Hospital was awarded Distinguished Hospital Clinical Excellence by Healthgrades, rating as one of the Top 5% in the nation. The recognition comes from a national ranking organization that uses data to recognize award-worthy performance.

Fairfield Professional Building Expands

Fairfield Professional Building, located at 4951 Dixie Highway, is expanding by over 9,000 square feet to allow for the growing operations of its three businesses: Collecting Warehouse, Granite Earth, and Hipsy. This expansion will include an investment of more than \$750,000 and an increase to over 30 total employees. The owners plan to add a modern design to the facade of the building facing Dixie Highway. Fairfield Professional Building LLC purchased the facility from the City in 2006. It formerly housed the Fairfield Police Department and Municipal Court.

VANITIES

By Jack Heifner

A comedic and bittersweet snapshot of the lives of three Texas girls. In 1963, Joanne, Kathy, and Mary are aggressively vivacious cheerleaders. Five years later in their college sorority house, they are confronting their futures with nervous jauntiness. In 1974, they reunite briefly in New York and their attempts at honest conversation only show they can no longer afford to have very much in common. Directed by Pat Ganz

By Adam Long, Reed Martin, Austin Tichenor

An affectionate, irreverent roller-coaster ride from fig leaves to Final Judgment, tackling the great theological questions: Did Adam and Eve have navels? Did Moses really look like Charlton Heston? And why isn't the word "phonetic" spelled the way it sounds? Whether you're Catholic or Atheist, Muslim or Jew, Protestant or Purple People Eater, you will be tickled by this romp through old-time religion.

MISSION STATEMENT

The mission of Fairfield Parks and Recreation is to enrich the quality of life for the citizens of the community, sustain the City's natural resources and environment and provide broad based leisure activities, cultural opportunities, facilities and services for all ages.

PROGRAM CANCELLATION DUE TO INCLEMENT WEATHER POLICY

At times, unforeseen circumstances can disrupt operations and force management to cancel programs. In making these determinations, Management Staff carefully considers the safety and security of the general public and department staff.

CLASSES are defined as registered or drop-in programs that are leader-directed and offered at a predetermined time.

ACTIVITIES are self-directed programs or services that do not require registration.

SCHEDULED EVENTS are defined as meetings, private rentals, theatre rentals, theatre productions and special events taking place at a facility during a predetermined time.

CANCELLATIONS: The decision to conduct CLASSES during normal hours of operation will be made by 8 am whenever possible. The department will issue cancellation announcements through its current media outlets, city website and signage at facilities. Information will also be available on the automated hotline at 896-8400.

Chipping Program

The City of Fairfield Parks Department will be accepting limbs and brush on the second Saturday of the following months: September 9, October 14, November 11 and December 9. The time that you can drop off your limbs is from 8 am to Noon on Groh Lane just past Waterworks Park. During these months there will not be any mulched chippings available to public. If you have any questions about the Chipping Program please call the Fairfield Parks Department at 867-5348.

Living Legacy Tree Program at Creekside Park

Creekside Park is located at 5225 Banker Drive. The City of Fairfield Parks and Recreation Department and the Environmental Commission is privileged to provide a unique opportunity to our residents who would like to plant a tree in honor of a family member, a special loved one, or for themselves. There are over 45 different species of trees to choose from and several different levels to pick from depending on what type of tree you select.

A 30" x 24" cast bronze plaque has been installed in a centralized area located by the benches in the middle of the grove at Creekside Park. The individual's name to be honored will be added to the large plaque for recognition.

For more information contact: Bob Schappacher, Facility Manager, Fairfield Parks and Recreation Department at bschappacher@fairfield-city.org or (513) 896-8430

Pickleball FUN!

The Fairfield Parks and Recreation department is joining the ranks of communities that are latching onto one of the hottest sports. Pickleball is a sport in which two, three, or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, similar to a whiffle ball, over a net. The sport shares features of other racquet sports, with a few modifications. Pickleball was invented as a children's backyard pastime, but quickly became popular among adults as a fun game for players of all levels. The courts striped for Pickleball are located on the tennis courts at Harbin Park, Waterworks Park, and Gilbert Farms Park. If interested in playing in a Pickleball league in Fairfield please call the Fairfield Parks office at 867-5348.

If interested in playing in a Pickleball league in Fairfield please call the Fairfield Parks Department office at 867-5348.

Property Maintenance

Keep Those Sidewalks Clear

Have you been out enjoying a walk in your neighborhood when you encountered a sidewalk blocked by low hanging tree branches or rogue shrubbery? Did you duck or go around? Did you know the City of Fairfield has ordinances that should prevent these obstacles?

The City's Codified Ordinances require trees within public right-of-ways to be maintained so that clearance above sidewalks is at least six feet. It is the responsibility of all property owners or occupants to trim or remove plantings within and adjacent to the curb lawn area of the public way abutting their properties.

The next time your walk is blocked, we can help. Report these issues to the Building and Zoning Division by emailing propertymaintenance@fairfield-city.org or calling (513) 867-5321.

Is a Building Permit Required?

Are you planning to tackle some "honey do" projects soon? It is always a good idea to check with the City first to find out whether or not a building permit is required before you get started.

Even if you are hiring a contractor to do the project, it's a good idea to make sure they have secured any necessary permits. A few examples of projects that require permits are: decks, pools, roofs, sheds, fences, HVAC replacement, and electrical work.

When in doubt, contact the Building Division by email at buildingandzoning@fairfield-city.org or by phone at (513) 867-5318.

Contrary to the popular quote, when it comes to building permits, it is always better to ask for permission rather than forgiveness.

Road Work Completed on Symmes & Seward

Improvements to sections of Symmes and Seward Roads were recently completed.

On Seward, the improved area was south of Tylersville to the CSX railroad tracks. A few feet of pavement were added in order to accommodate a paved shoulder, increasing safety.

On Symmes, the culvert near the former Fisher Body Plant was extended to accommodate a third lane and the section west of Hicks got a new striping pattern. These changes eliminated the awkward eastbound merge before the culvert and replaced it with a center dual left turn lane that extends to Hicks.

These improvements were funded by \$650,000 from the Ohio Public Works Commission and \$110,000 through a Community Development Block Grant.

New Rescue Boat

To perform water rescue operations, the Fire Department has purchased an inflatable boat that personnel are being trained to operate. The Ohio Department of Natural Resources (ODNR) will provide a three-day safety awareness course that will cover boat handling, river hazards in a variety of water conditions, and general safety awareness.

Give us your contact information for phone alerts about boil water advisories and other urgencies.

Citizen Police Academy starts August 28

The Police Department will be hosting another Citizen Police Academy starting on August 28, 2017. The class will be 12 weeks long, meeting on Monday nights at the Police Department from 6 to 9 p.m.

Classes will cover topics such as SWAT, Criminal Investigations and our K9 Division. We will host guest speakers from outside the Department as well. Some classes are very hands on, giving the participant a first-hand perspective of what our police officers do on a daily basis.

If you are interested in participating, please fill out our application online. Questions regarding the class can be sent to Officer Doug Day by calling 896-8268 or by emailing dday@fairfield-city.org.

CPA GROUP 2016

Rape Aggression Class

The Fairfield Police Department in conjunction with the Butler County Prosecutor's Office is offering RAD (Rape Aggression Defense) classes to the women in our communities interested in learning about personal safety. The classes are designed to develop and enhance the options of self-defense so they may become viable considerations to the woman who is being attacked.

Classes are offered as either 9 hours or 12 hours. The 12 hour class contains dynamic simulation allowing the student to put the techniques they have learned into practice against an aggressor. The classes are FREE to all women 16 years of age or older who wish to participate.

If you are interested in taking a basic personal defense class, please contact Officer Doug Day by phone at 896-8268 or by email at dday@fairfield-city.org. Classes will be offered at the Fairfield Community Arts Center as well as other venues throughout Butler County. Officer Day will be able to direct all those interested to the appropriate classes.

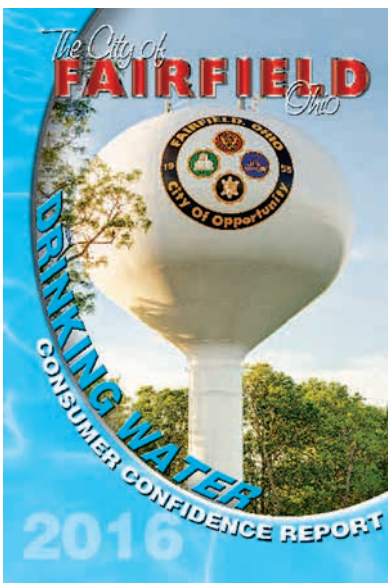

Drinking Water Quality Report Available

In June, the Water Division published the City's 2016 Water Quality Report, also known as the Consumer Confidence Report. The report is available online at www.fairfield-city.org/water/2016CCRReport.pdf.

All utility customers received information about the report and how to access it on their recent water bills. Hard copies of the report are also available at the City Building, at the Water Treatment Plant, or by calling 858-7775.

The report contains important information about the source and quality of Fairfield's water. Fairfield is required to test its water regularly to ensure its safety.

In 2016, Fairfield's drinking water met all federal and state standards as established by the U.S. and Ohio Environmental Protection Agencies. At no time did testing find contaminants exceeding acceptable ranges.
