## **First phase of annual fire hydrant flushing to start Thursday**

**Fairfield, OH** - The City of Fairfield's Water Division will start the first phase of the annual fire hydrant flushing program on Thursday, March 30, 2017, at 4 p.m. This water main line flushing will continue for four to six hours on Thursday.

Residents may experience discolored water for a short period of time. Allowing faucets to run for five to 10 minutes should clear the water.

This first phase will include areas east of Groh Lane and west of Pleasant Avenue from the City's north corporation limit and south to Sherry Lane.

Residents should contact Andreas Eddy, Public Utilities Superintendent, Water Division, at 858-7775 with any questions.
