## **Fairfield Recognized by State Auditor for Excellence in Financial Reporting**

**Fairfield, OH** – Auditor of State Dave Yost has recognized Fairfield’s financial reporting and record-keeping for Fiscal Year 2016 as exemplary and “the standard for clean, accountable government, representing the highest level of service to Ohioans.”

The recognition is officially called the “Auditor of State With Distinction” award and is presented to local governments and school districts upon the completion of a financial audit.

To receive this recognition, audited entities must meet several criteria including timely reports in accordance with General Accepted Accounting Principles and no findings for recovery, material citations or weaknesses, significant deficiencies, single audits or questioned costs.

Mary Hopton, Finance Director, also received an award with distinction for the City’s 2016 Comprehensive Annual Financial Report. View this report on the City’s website at [www.fairfield-city.org/CAFR2016](http://www.fairfield-city.org/CAFR2016).
