**FOR IMMEDIATE RELEASE** – *Friday, March 15, 2019*

## **Ross Road to close for 45 days beginning March 25**

**Fairfield, OH** – Motorists are advised that Ross Road will be closed to through traffic between Mack Road and Route 4 for approximately 45 days beginning Monday, March 25, weather permitting.

The closure is for a project replacing over 3,000 feet of water main. Work is being performed by JNT Excavating, LLC under contract with the City of Fairfield. The water main work will be completed in advance of the City's planned repaving of Ross Road and Mack Road, which will occur in late summer to early fall.

During the closure, a detour will be posted directing traffic around the construction site via Mack Road to Route 4 (Dixie Highway). Portable message boards will be posted in advance of this work advising motorists of the upcoming closure.

A map showing road closures on Ross Road and the affected side streets including Cherry Hill Drive, Kay Drive, and Chapel Hill Drive will be posted on the City's website at [www.fairfieldoh.gov/RossRoadClosure](http://www.fairfieldoh.gov/RossRoadClosure).
