****Please call the Arts Center when you are done at each house.** This will help us keep track of how things are going. **Fill out the upper right-hand corner of the client form** so we can track how many volunteers and how many hours.

**** Leaves should be placed on the lawn, not in the street.**

**** Seniors rank the importance of the jobs they want to be done from 1-5, with 1 being the most important.** These items include: picking up sticks, washing outside windows, sweeping sidewalks, trimming shrubs, weeding, raking leaves, gutters, mowing the lawn and other general maintenance items they may want to be done. We would like to have the volunteers do what they can at each house within an hour. The ranking system will help make sure most seniors are taken care of and the volunteers won't get burned out at the first house.

If you are being organized into a group (such as youth group, organizational group, or school group) please make sure the name of the team is listed on the first page of this application. Individuals can **email, mail, fax or drop off their registrations by Monday, April 5th to:**
