Property Crimes

Chart 3 provides statistical information on burglaries. For 2020, burglaries account for 11% of all reported property crimes. The vast majority of burglaries occur in residential areas. These burglaries often occur during daylight hours when homeowners are at work or on vacation, and entry is often gained through unlocked doors and windows. Visit our [Home Security](#) webpage for more information on burglary prevention.

Chart 3 also provides statistical information on the various types of theft committed in the City of Fairfield⁴. For 2020, thefts *from* autos account for 27% of all reported property crimes. These thefts are often the most reported Part I crime to the Fairfield Police Department but one of the easiest to prevent. Visit our [Thefts from Vehicles](#) webpage for more information on how to prevent becoming a victim of this common crime.
