## Property Crimes

Chart 3 provides statistical information on property crimes. For 2020, burglaries accounted for 8.5% of all reported property crimes. The vast majority of burglaries occur in residential areas. These burglaries often occur during daylight hours when homeowners are at work or on vacation, and entry is often gained through unlocked doors and windows. Visit our [Home Security](#) webpage for more information on burglary prevention.

Chart 3 also provides statistical information on the various types of theft committed in the City of Fairfield<sup>4</sup>. For 2021, thefts *from* autos account for 17% of all reported property crimes. These thefts are often the most reported Part I crime to the Fairfield Police Department but one of the easiest to prevent. Visit our [Thefts from Vehicles](#) webpage for more information on how to prevent becoming a victim of this common crime.
